Welcome to the August 2010 ride calendar. HOT, HOT and HOTTER is all we can say about July riding in south Florida this year it seems. You will note on the calendar several pictures that were supplied by long distance riders from our group. Bill Vernon and John Dubose both emailed pictures taken during their travels this last month. Thanks for the input. If anyone else is traveling on their motorcycle and has some pictures they would like to share, please send them to me and I'll try to include them in the ride calendar.
