

Fellow Retreads,

Welcome to the March and April 2011 ride calendars. I know what you're saying. Rick, why in the world are you sending the March and April ride calendars out so...so....early? Well that's a very good question. The reason is I've been doing a lot of traveling lately and will continue to do even more with a couple of international trips coming up in the next few weeks. There just isn't time in February available between travel and my workload to be assured of getting the ride calendars out before March to the group. So please don't delete this email or at least print off the calendars first.

March Notes:

- March breakfast and dinner rides are all to places you have been before so no new ones have been added.
- For March I've added a group ride to Daytona for anyone wanting to ride as a group to the bike show. We'll meet at Denny's (Palm Bay) as normal at 8:00 AM for anyone that would like breakfast and then leave for Daytona at 9:00 AM from Denny's.
- For interested Retreads members, there will be a Fellowship Luncheon at Duff's Cafeteria in Daytona Beach on Friday March 11th and will be attended by many of the organizations leaders and directors.
- Daylight Savings Time (DST) starts at 2:00 AM on Sunday morning March 13th. Don't forget to set your clock's ahead one hour. On that same note, the Wednesday breakfast Mystery Rides will start being the Wednesday lunch Mystery Rides and will begin at 8:00 AM instead of 9:00 AM until the fall time change back to Eastern Standard Time (EST).
- For members that also belong to GWRRA, remember the Florida regional rally begins on Thursday March 17th (St. Patrick's Day) and goes to Sunday March 20th.
- There is a Retreads Hobo Stew Ride-In on Sunday March 20th at Floral City Park in Floral, FL.

Items For Sale:

I talked to Bill today (Saturday Jan 30th and he still has his motorcycle for sale. He has asked me to reprint the following information in case anyone you know is interested in his motorcycle.

If you attended the breakfast at Perkin's on January 8th, you are aware that Bill Breer was involved in a motorcycle accident back in his home state of Michigan last summer. Bill was in the hospital for 3 months with serious injuries. As a result of those injuries, Bill is no longer able to ride motorcycles. Bill has a 2001 Suzuki VL800K that he has here in Florida and he would like to sell it. It's a 800cc V-twin and has 19,618 miles on it. It has never been wrecked, is stored in a air conditioned garage and has had the oil changed every year and runs great according to Bill. Bill is asking \$3000 for the motorcycle.
