

## Fellow Retreads:

Thanks goes to Erik Turner for the picture of the crowd at Marsh Landing for breakfast and to John DuBose for pictures of his trip over the Blue Ridge Parkway. Keep sending those pictures.

Several people told us that they would like to try the Seminole Inn again, so we put that on the calendar for the last Saturday. If you know of someplace you want to try or someplace you don't want to try again, email us please (lobosmcg@aol.com). We try to remember what is told to us on the rides, but by the time we get home we say "who said what and where?", I think its an age thing.
