Message from the directors

Two very successful rallies!!!

Jacque Iverson reported 86 members attended the Nature Coast Ride –In. Thanks Jacque for all the hard work!

Our Fellowship Luncheon drew about 75 folks. The presentation by Jerry Palladino (Ride Like a Pro) was well received. MaryAnn Etter has a good write up on page 4.

Fred Bell, North Florida Retreads, announced the group will be renewing their State Ride-in. That's great news Fred!

We have a new webmaster! Robert Farris has “stepped up” to the job; thanks Bobby. Please send your info (schedules, activities and pictures etc.) to webmaster@floridaretreads.org

By now, you have noticed, I have stopped sending hard copies of the newsletters to members with email. This is a change I tried to avoid, but the savings are substantial. If you need a hard copy, please let me know!

The RETREADS® Motorcycle Club International, Inc., is a non-profit, socially oriented organization of some 5,000+ members around the world, all of whom share two things: An age of 40 plus (XL+), and a love of motorcycling. In the early days of the club, when there were fewer organizations and clubs, RETREADS® membership climbed as high as 25,000! Today, with the factory sponsored clubs and various organizations and associations all vying for members, our numbers have shrunk, but the spirit and ideals under which the club was founded have not changed. The RETREADS® were founded by George Spidell, a Navy Chief Petty Officer, in El Cajon, California in 1969. Although it is an AMA Chartered Club, RETREADS® are not required to be AMA members.

Leesburg News

by MaryAnn Etter

On Saturday fifteen bikes and twenty two people left CB and rode to Duff's Cafeteria for a yearly Retread meeting and great lunch buffet. Our webmaster, Dick Handverger has retired but our own Bobby Farris has taken over the job and we know he will do a fantastic job. Thanks Bobby!!!!

The speakers for the meeting were the Ride Like A Pro people and they gave a wonderful talk and also had CDs there for purchase for anyone who was looking to improve their skills. Jack and his wife, Carol, took charge of the meeting and gave away many nice gifts that were paid for out of the Retread treasury.

Leesburg Retreads had the most people there as happens every year. In addition to the ones that left CB, we had a total of 39 people there representing our club, Yay! The people who attended the luncheon were: Jim and De Beveridge, Pete and De Hooper, MaryAnn and Charlie Etter, Lou Hartzell and Diane Wood, Cliff Townsend, Gary and Carole Weber, Maryanne and Jim Davis, Bobby Farris, James and Nan Collins, Bond Bayse, Ernie and Phyllis Eby, Fred and Marge Hackett, Randall Sumner, Bob and Diana Evans, Jim and Mary Adams, Everett and Lois Jardine, Bruce and Sue Garland, Bob and Lois Gardner, Larry and Carolyn Trumball, Dick and Lynn Lee, Lee and Claudia Keith and Leonard Tate. After the 50/25/25 two \$45.00 winners were announced and went to others than our club members but our guys took home a lot of gifts from the door prize winners.

The first name pulled was none other than our own Bruce Garland and he picked a set of adjustable wrenches, Dick Lee got a multi-function power tool, Leonard Tate got a cordless drill, which Sue Garland really wanted, Claudia Keith picked a torque wrench, Carolyn Trumball and angle grinder, Jim Davis a seventeen piece pneumatic starter kit, Mary Adams a tool bag, Jim Adams (her husband) wrenches, Fred Hackett a new biker bear for the back of his trike, De Hooper a wireless driveway system, Lois Jardine a digital caliper, Everett Jardine (her husband) a Retreads wallet, Lynn Lee a tool bag, Cliff Townsend a Harley Davidson head wrap and Bobby Farris a 9 in 1 tool with a light.

Yesterday, Tuesday, March 19 we had twenty one people at CB for breakfast and the meeting. The 50/50 of \$16.00 was won by Fran "Happy" Weston and taken from her by "Grumpy" (the husband, the rat!). Bobby Farris, the new webmaster, asked Gary Weber to poll the attendees to see what time they wanted the meeting and ride hours to be. They decided that, if you want to have breakfast, be there no later than 0800 as we will be having a short meeting after breakfast and kickstands up no later than 0900.

The ride Tuesday was led by Bud and Cathy Hughes and it was great. Pete and De Hooper brought up the tail and the communication between the first and last bike was wonderful. Bud slowed after every stop sign, light, left turn until Pete gave him the okay that we were all together. The roads were overall pretty smooth and there was not much traffic. They took us over most back roads with lots of great scenery and some roads we have never been on before. It was a very enjoyable ride and for those of you that went home after breakfast because of threatening weather, we did not get wet and we ended up at San Antonio for lunch. Thanks so much Bud and Cathy. We all enjoyed it.

The yearly picnic is on Thursday, April 11, 2013. Yes, it is on a Thursday as the pavilion was taken for the Saturday dates. Bruce and Sue Garland from Holiday Travel are handling the arrangements. She has contracted with HP Grill for the catering for the luncheon. The building is rented from 0900 – 1400 on that day. The cost to members is \$5.00 as last year with the club paying the rest. Nonmembers are \$8.00. She needs the money by April 2 to make the reservations. If you cannot make the next two meetings, send your money and reservations with someone who will be there to hand it in. Sorry it is only two weeks ahead of time but our "birds" have already started leaving for the northern hemisphere and she is trying desperately to include everyone. If you have any questions call Bruce or Sue at 978-532-1320.

Nature Coast News By Jacque Iverson

Have been trying to get a picture together of Dave, Meri, Elaine and myself that we all like.

We now have a website thanks to 2 of our members Elaine Quarton and Lee Boszak. www.naturecoastretreads.com. I am gona see if Bob can link our up with the new re-tread site.

The Ride- in was a success! We had 86 in attendance. Weather was great and i think that plays a big part in the attendance. Donna Cstania does most of the work for this event. So I have to say she gets all the credit for its success!

We will try and keep you more informed on what is going on in the club. Elaine is now our secretary so I know you will be getting better updates!

Sorry we didn't make it to the luncheon in Daytona. Our club usually takes a spring trip to Dublin, Ga to celebrate St. Patty's day. This year we spent the day in Macon for their Cherry Blossom festival.

Take Care,

Jacque

Tallahassee News By Janice Gargus

On one of our Thursday spring rides through the beautiful hills of north Florida, we drove through a very tiny community of Two Egg. Although all of us had heard about it, none knew how it got its name, *Two Egg*. Since it is interesting, here is the story from Bing.com:

The name might have lasted had it not been for the economic disaster of the Great Depression. Money dried up and jobs disappeared. Families struggled to survive and, as local cemeteries attest, hunger, malnutrition and sickness stalked the land.

By 1930, many local families were living on little more than pride. Unable to pay for items they needed in hard cash, they began to barter and trade with the storekeepers for the things they could not do without. Two young boys came into the business so often on errands from their mother to trade two eggs for sugar that regulars jokingly began calling the establishment a "two egg store." The name caught on and was picked up by traveling salesmen and others who spread it to nearby towns.

The story may seem light-hearted on the surface, but at a deeper level it reflects an effort to put a good face on very hard times. Many local families then were barely surviving and at times of the year, when fresh fruits and vegetables were not available, sugar provided one of the only available sources of carbohydrates.

Two Egg is the childhood home of Academy Award winning actress Faye Dunaway.

For years, residents and visitors to the rural area have seen a strange creature in wooded and swampy areas, a "mini-Bigfoot" called the *Two Egg Stump Jumper*.
