# Treasure Coast News By Bob and Karen McGhee

Happy New Year to all fellow Retreads

Hope all had a wonderful Christmas with family and friends and lots of good food (and presents too). We want to again thank Ken and Janice Keene for opening their home for the annual Christmas party. The food was great and so was being with friends.

Last month several of us traveled to Ft. Christmas for the craft event. The weather was great. Bob and I did discover though, Harley's don't do well in bumper to bumper traffic at a painfully slow 1 mile an hour ride down the road. His burnt legs will attest to that. But we had a fun. From there, we went to St. Augustine for the night. Some of the pictures on the calendar will show how much fun we had. Hopefully next year more of you will want to join in on the fun. Now that the weather is cool, we want to plan some extra rides. January 25 we are planning a ride to Cape Kennedy Space Center after breakfast. The cost for entry into the Space Center is \$53.00 a person for all day activities. Kinda steep, but well worth it. Then we plan on having dinner at Rustys in Port Canaveral. Since this is going to be an all day thing and it gets dark early, we plan on staying all night. I haven't had a chance yet to check out the hotels, but will this weekend. If anybody interested in joining us and some of you already said you are) let me know and I will give you the hotel information. If you are not attending, dinner will be at **SOUTHERN COMFORT AND GRILL in Vero.**

REMINDER: Dues for 2014 are now due and payable.

Retreads Newsletter December 3, 2013

What a beautiful day we had! Twenty three of us had breakfast at CB. Sue Garland led the meeting and announced that the picnic would be the end of March at Hickory Point Park. Today I went over to the Lake County Water Authority to reserve a date and the one we wanted was booked months ago for a wedding so our picnic will be March 29 from 0900 to 1400.

In January we will be having a Christmas party but nothing has been planned as yet. Info will follow in another newsletter.

The 50/50 of \$17.00 was won by George Lones. Way to go bro!

We had fourteen bikes and seventeen riders on a fabulous ride on scenic back roads with hardly any traffic. Cliff Townsend stepped up to the plate and led a ride everyone enjoyed. How you guys know all those back roads is beyond a lot of us. Thanks Cliff for a very enjoyable day. To top it all off we ended up at the Hayseed Café in Webster for a scrumptious meal. The portions were huge and the prices were fantastic. They had a buffet with all kinds of meat, veggies, salad, etc. for \$6.75. Can't beat that.

Next week's ride will be hosted by Bob Walters. I can't attend so if someone can take notes and pass them on to me I will put out the newsletter. Thanks.

Leesburg Retreads Newsletter Dec 17, 2013

Today was a nice day but a cold one in the morning. I needed a new battery and our president, Gary Weber, could not get his bike started even though he had a new battery. He thought one of the sensors for the brake pedal, which he has to depress to start his bike, was out of order (or whatever you say when something is wrong with a sensor). So Bruce and Sue Garland led the ride.

We had eighteen at breakfast and the 50/50 was won by a new member, Doris Garris, who probably had to give it to her husband to pay the bill for breakfast at CB. When I asked him about it he said, "yes, but it didn't cover the cost of the breakfast".

The next two weeks Tuesdays will be on Christmas eve and New Years Eve so the club decided that whomever wanted to show up would just meet for breakfast unless someone really wanted to do a ride on those two days then anyone else that wanted to go along would.

Now, a sad announcement - Gary Weber has announced his resignation effective in four weeks. He says he has too much on his plate and doesn't always feel like getting up and att em every Tuesday. I can relate to that as I don't always want to get up and att em either. It's just not the same since I lost Charlie. Gary feels we need some new blood as head of the club and since Warren Hubert was his VP maybe he would take over. Got no response from Warren except for a blush! Hopefully, he will help us out until someone steps up if he doesn't want the responsibility.

# News from Jacksonville

Lynn Keen - Director NE Florida Retreads

On a personal note:

We have now entered what some of us consider to be the most desirable season for riding here in the Sunshine State. I can ride comfortably with all the appropriate safety gear and not arrive at my destination dripping with perspiration. Because I am a former Yankee I am equipped with a variety of cold weather riding gear. That includes things like heated jacket, heated pants, and three finger insulated mittens. Those items coupled with the heated grips and seat on my bike make comfortable riding down into the 30's possible. On a recent ride up here in NE Florida the Snow Flake Icon on my dash was flashing at me indicating that the air temperature was at or below freezing and suggesting that I should be on the look out for ice forming on the road. Of course that seldom if ever happens in our area but it brings back memories of those long dreary winter days in Pennsylvania huddling in front of the fireplace in our home trying to warm up after spending a couple of hours shoveling snow. I am sometimes disappointed when I have a ride planned during these winter months and we experience one of those occasional rain storms blowing in from the north. However, those depressing thoughts quickly pass when I simply remind myself that I don't have to shovel rain! I know that there are those that prefer the hot humid days of summer but for me it's the cool dry days of winter that keep me in Florida. That of course along with my wife, three adult children and six grandchildren.

As far as recent activities for the Jacksonville Retread Chapter we continue to perpetuate the Ride To Eat and Eat to Ride philosophy. Our group meets at a variety of different locations around NE Florida every weekend. We ride from these central meeting places either East to a location along the beach, South toward central Florida, West toward Lake City or North across the border into Georgia always ending at a preplanned destination that includes great food. We are a small but tight knit group and would welcome any new members that are moving to our area as well as folks from other Chapters that would like to join us for a ride and fellowship.
