DIXIE CROSSROADS

A group of people are gathered outdoors under a large palm tree. In the foreground, a man in a black vest and sunglasses stands next to a woman in a light blue shirt and jeans. To their right, two men are sitting on a wooden bench; one is wearing a white polo shirt and the other a green tank top with tattoos. In the background, there's a sign that reads "TITUSVILLE FL" and a decorative steering wheel. A banner above them says "DIXIE CROSSROADS".
